

POLICY 2230 Environmental Response

Issued January 1, 1994

Environmental Response

Executive Branch Departments and Sub-units with facilities where there has been a release or threat of a release of hazardous substances that pose a danger to the public health, safety or welfare, or to the environment of this State, shall perform appropriate response activities pertaining to the release or threat of a release, and repair injury, destruction, or loss to natural resources caused by the release or threat of a release.

Environmental Response Act, Public Act 307 of 1982, as amended.
